## **Change in Deputy Chair of the LR Global Kids Fund**

**Ahlen, 1 June 2026** – LR Global Kids Fund e.V. (LRGKF) is reorganising its board: Henning Thiesing will step down from his role as Deputy Chair on 1 June 2026 by his own decision. Darja Kirilov has been elected as his successor and will take up the role on 2 June 2026.

Henning Thiesing has actively supported the organisation on the board since 2024 and provided important contribution to its further development. In particular, he significantly improved the organisation's visibility via social media and at LR sales events. The LR Global Kids Fund thanks him for his dedication and commitment.

With Darja Kirilov, the organisation gains a new Deputy Chair who has been supporting the LR Global Kids Fund on a voluntary basis for many years. She is particularly involved with the Lunch Club e.V. project in Ahlen East and is very familiar with the needs of this local project. Going forward, she will be responsible for the strategic development of the organisation together with Chair Almut Kellermeyer.

"I am very much looking forward to working with Darja Kirilov. Together, we want to further develop the LR Global Kids Fund and ensure that we can continue to implement effective projects to support children in the future. At the same time, it remains a key challenge to retain existing supporters and attract new ones for our work," said Almut Kellermeyer, Chair of LR Global Kids Fund e.V.
